7:00 PM**

CALL TO ORDER

Notice of this meeting, in accordance with the "Open Public Meetings Law, 1975, C. "231", was posted at the Borough Hall on August 22, 2016 and two newspapers, The Record and The Ridgewood News, were notified on August 22, 2016.

All present recited the Pledge of Allegiance.

MOMENT OF SILENCE

Mayor Rendo asked for a moment of silence for Fred Goldsmith, father of former mayor Jeffrey Goldsmith who passed away last week. We also had the tragic loss of Marcia Denbeaux. In past years, Marcia served on the Council, Planning Board, and several committees. Marcia was an active member of the Zoning Board up until the very end. She wanted to participate in the last meeting of the Zoning Board. Marcia was a dedicated public servant and will be missed.

APPROVAL OF MINUTES

Motion to approve the Minutes of August 1, 2016 (Closed) was made by Council President Belgiovine, seconded by Councilwoman Hayes and approved by Council President Belgiovine, Councilwoman Chiavelli, Councilwoman Hayes, Councilwoman Herrington and Councilman Panso. Councilwoman Gadaleta was absent.

MAYOR'S COMMENTS

Mayor Rendo stated that she had good news. As everyone is aware the Bergen County Open Space Trust Fund awarded Woodcliff Lake a grant of \$500,000 for the purchase and acquisition of Galaxy Gardens. We are a step closer to making this a reality and creating a beautiful park for our families, our children and our seniors. Mayor Rendo stated that he wishes to thank every member of the Council and prior Council for making this work. Mayor Rendo also thanked Millennium Strategies with for all their hard work and the presentation that they made before the board. Mayor Rendo also thanked Freeholder Maura De Nicola for helping us with this venture and also Freeholder Tom Sullivan. Mr. Sullivan was very happy that they awarded this grant. He mentioned that he values open space and it is important in this day and age. Mayor Rendo also extends his appreciation to the County Executive and the members of the Bergen County Open Space Trust Fund County program for awarding us this grant. The grant expires on August 10, 2018 so we need to get moving on this. The Trust Fund award will not exceed \$500,000. Should the municipality acquire the property for less money, then the County Trust Fund award will be proportionately reduced. Mayor Rendo stated that Councilwoman Hayes might have an update for the September 12, 2016 Mayor and Council meeting. Mayor Rendo stated that we need to find alternate needs of raising money. We cannot depend on the tax payers for projects like this.

Mayor Rendo read a letter from Bergen County Executive Tedesco informing the Borough that they are approved for a grant for Handicapped Accessible Doors at the Police Station for a total of \$6,565 and Senior Citizen Activities for \$3,530.

Mayor Rendo read a letter from Urban and Community Forestry, New Jersey Department of Environmental Protection awarding the Borough with a grant in the amount of \$19,260.

Mayor Rendo read an e-mail thanking the Mayor and Council for passing the Ordinance banning the sale of puppy mill dogs and cats in Woodcliff Lake.

Mayor Rendo read a letter that he received from a resident. Mayor Rendo stated that he knows the Police Chief has been out at the property to look at the intersection and made some recommendations. Mayor Rendo asked Administrator Padilla to follow-up.

NEW BUSINESS

- Park and Recreation Update, led by Councilwoman Jeanine Chiavelli

Councilwoman Jeanine Chiavelli informed everyone about the Parks and Recreation Facebook page. Councilwoman Chiavelli stated that there is a lot more information on that page that just

the pool. There is information on there about Suez, about signing up for Watershed Recreation, information from the Division of Services, Senior Services and Disability Services for anyone who is caring for a loved one. Disney is also doing \$500 grant for anyone from 5-18 years old for children who want to do something with parks and recreation.

Councilwoman Chiavelli thanked Our Lady Mother of the Church for helping us out this summer with the camp program by offering their auditorium for rainy days as well as for our full day camp. Councilwoman Chiavelli also thanked the Police and DPW for installing the crosswalk across from the Old Mill Pool.

Member Appreciation Day will be held on Labor Day weekend. Door prizes will be given out. On September 6, 2016 there will be a new event at the Pool – Drool in the Pool. This event is for your dogs. More information is on the website. Concert in the Park will be on Friday, September 9, 2016 with a rain date of September 10, 2016. Please bring canned foods to donate to a local food pantry. The 9/11 ceremony will be held at the Jack D’Ambrosi Field. In the event of rain, the ceremony will be at the firehouse.

The Breast Cancer event will take place on October 15, 2016 from 11:00 AM – 2:00 PM and the rain date will be on October 16, 2016. If anyone would like to participate in it or if you know of any local vendors, food vendors, physicians or educators we would be happy to speak with them.

Mayor Rendo
Woodcliff Lake, New Jersey

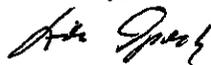

Dear Mayor Rendo:

My husband and I have been living in Woodcliff Lake for nearly 40 years. This past year we have attended many zoning meetings on behalf of the property at 100 Overlook. We would like to commend the zoning board members for their time and dedication to our borough.

At this point, we still have some questions regarding this property. We realize that the valley Chabad has been listed as a house of worship on the town website. Who, how and when was this decision made? Since the property was purchased as a single family residence in a residential zone, how did this transformation occur? In addition, why does this property continue to be used as a synagogue especially since the rabbi and family have moved to another personal residence in town? Should not this property return to residential usage? Should not it be the responsibility of our public officials to assure the proper residential usage of this home on that property. How will our borough ensure that this occurs. May I hear from you in a timely manner.

Thank you for your continued contributions to the welfare of the families of woodcliff lake.

Sincerely,

Linda Anopolsky

Re: Transportation Alternatives Program
Request for Applications

Dear Prospective Applicant:

On behalf of Governor Chris Christie, I am pleased to announce that applications are being accepted for the 2016 Transportation Alternatives Program (TAP). This solicitation is being administered by the New Jersey Department of Transportation (NJDOT), in partnership with the North Jersey Transportation Planning Authority (NJTPA), the Delaware Valley Regional Planning Commission (DVRPC), and the South Jersey Transportation Planning Organization (SJTPO).

TAP provides federal funds for community based "non-traditional" surface transportation related projects designed to strengthen the cultural, aesthetic, and environmental aspects of the nation's surface transportation intermodal system. The TAP program was established by Congress in 2012 under MAP-21 and FAST Act in 2015, and is funded through a set-aside of the Federal-aid Highway Program. Eligible activities include most activities historically funded as "Transportation Enhancements".

For this solicitation, eligible projects must fall into one of the following 7 categories:

- Design and construction of on-road and off-road trail facilities for pedestrians, bicyclists, and other nonmotorized forms of transportation
- Conversion and use of abandoned railroad corridors for trails for pedestrians, bicyclists, and other nonmotorized transportation users
- Construction of scenic turnouts, overlooks, and viewing areas
- Historic preservation and rehabilitation of historic transportation facilities both land and water such as buildings, structures and canals
- Community improvement activities, specifically: Streetscaping and corridor landscaping
- Environmental mitigation to address stormwater management, control, and water pollution prevention or abatement related to highway construction or due to highway runoff
- Reduce vehicle-caused wildlife mortality or to restore and maintain connectivity among terrestrial or aquatic habitats

"IMPROVING LIVES BY IMPROVING TRANSPORTATION"

New Jersey Is An Equal Opportunity Employer • Printed on Recycled and Recyclable Paper

You are invited to submit an application for a well-developed, construction-ready project that can qualify as a Transportation Alternatives project. The online Transportation Alternatives Handbook provides the necessary information for completing your application and also answers questions regarding eligibility and program requirements. The information can be found at:

<http://www.state.nj.us/transportation/business/localaid/alternatives.shtm>

The eligible entities to receive TAP funds are: local governments (municipalities and counties); regional transportation authorities; transit agencies; natural resource or public land agencies; tribal governments; any other local or regional governmental entity with responsibility for oversight of transportation (other than a metropolitan planning organization or a State agency).

Nonprofit organizations responsible for the administration of local transportation safety programs are also eligible to apply for this solicitation.

As with all federally funded programs, the funds will be disbursed on a reimbursement basis. In addition, the award of Transportation Alternatives grants will be contingent upon the recipient's ability to comply with all applicable federal financial management, project implementation, and oversight regulations. Before applying, applicants should assess their capability to comply with state and federal requirements for the administration of federal-aid highway grants set forth in Title 23 – Highways, and OMB requirements related to administrative rules (2 CFR Part 200, 2 CFR Part 215) and cost principals (2 CFR Part 1201) requirements.

Please note that all public right-of-way and facilities are required to be accessible for all users regardless of funding source. Recipients of federal and state grants will be required to comply with the provisions of Title II of the Americans with Disabilities Act of 1990 (ADA) and Section 504 of the Rehabilitation Act of 1973.

Applications for the Transportation Alternatives Program are due on or before November 10, 2016 and must be submitted online through NJDOT SAGE at:

<https://enterprisegrantapps.state.nj.us/NJSAGE/>

I recommend that you consult your Local Aid District Office and your corresponding Metropolitan Planning Organization for assistance in preparing applications for this program. Contact information is included.

Thank you for your continued interest and support for this program, and best wishes for success with your project application.

Sincerely,

Richard T. Hammer
