Councilman Pollack abstained, and Councilman Schnoll was absent.

MOTION to approve the Minutes of November 20, 2023 (Closed) was made by Councilwoman Marsh, second by Council President Margolis and approved by Councilwoman Gadaleta, Councilwoman Higgins, Council President Margolis and Councilwoman Marsh. Councilman Pollack abstained, and Councilman Schnoll was absent.

PUBLIC COMMENT

MOTION to open to the public was made by Councilwoman Gadaleta, second by Council President Margolis and unanimously approved.

Alex Couto, Woodcliff Lake, stated that he read Neglia Engineering's Report and asked if they had

made a mistake because it states that streetscape will be done from Prospect to Campbell. Administrator Padilla replied that he believes it should be Highview but will contact Neglia Engineering. Mr. Couto stated that he heard about combining the Zoning Board of Adjustment and the Planning Board. He believes that we need to look to the future and that power should be distributed. One Board should not make all of the decisions. One group should make the laws and another group enforce them.

Joseph LaPaglia, Woodcliff Lake, stated that he agrees with Mr. Couto and that there should be two Boards. He does not believe this is a good idea.

Robin Malley, Woodcliff Lake, stated that she is confused and concerned as to why this is being considered this year. Ms. Malley stated that Ordinances need to be done to reflect the Master Plan and believes combining the Boards is a mistake.

Christina Hembree, Woodcliff Lake, stated that she was concerned on Candidate's Night that a lot of the Council Members do not know what the Boards do. She also knows that the Hilton sold. That is going to have to be rezoned. Another issue is BMW. You cannot push volunteers to 2 meetings a month. Additionally, Ms. Hembree asked the Borough to clean up the property that the Borough owns on Woodcliff.

Mayor Rendo asked Borough Attorney John Schettino to give a brief synopsis of the Ordinance that will be voted on this evening.

Mr. Schettino stated that a Joint Board is statutory. Right now, the Zoning Board of Adjustment and the Planning Boards have overlapping jurisdiction. D variances are the only applications that cannot be heard by the Mayor or the Council member that would sit on the Land Use Board. A joint board would work well with Woodcliff Lake since it is a small municipality. Hillsdale, Montvale, Upper Saddle River and Ridgefield already have a joint board. This is not solely for dollars savings but there is a savings. Mr. Schettino explained how there would be savings. Mr. Schettino also stated that there would be one Agenda for the Board. The Mayor and Council Member would not be able to participate for a zoning application. Mr. Schettino believes that one Board can be more efficient. He also believes that it will be easier to find people that are qualified to sit on one Board.

Mayor Rendo stated that he has been speaking with members of both Boards and a lot still want to serve. He will ask those with the most Land Use experience so that there is a smooth transition. Additionally, Mayor Rendo stated that he is going to look at attendance records for both Boards and that will factor into his decision as well. There will be 9 members and 4 alternates.

Christina Hembree, Woodcliff Lake, stated that she is afraid that Woodcliff Lake residents are not going to be heard. Ms. Hembree stated that she is also concerned that there will be too much work for one board.

Alex Couto, Woodcliff Lake, asked if the steps for one Board are the same steps that the two

Boards followed. Mr. Schettino replied yes. Mr. Couto reiterated that there should be a separation of powers.

Joseph LaPaglia, Woodcliff Lake, stated that he supports prior comments.

Robin Malley, Woodcliff Lake, stated that change is good sometimes, but not for this.

John Schettino, Borough Attorney, stated that the Borough pays for the attorney for the Board to be at the meeting, not the applicant.

Councilman Pollack stated that it is also about time and efficiency.

Councilwoman Marsh stated that she understands everyone's concerns. Councilwoman Marsh stated that she is on the Planning Board, and they had only 4 meetings this year. Mr. Schettino stated that the Planning Board does not prepare the Ordinances. Normally the planner prepares the Ordinances for land use matters and sends it to the Borough Attorney. All other Ordinances are prepared by the Borough Attorney. Ordinances for the Land Use Board are going to mirror the Master Plan. Mr. Schettino stated that two years ago the Planning Board had a lot of meetings for the Master Plan. The Master Plan is now done. The Land Use Board will have the same process, guidelines and procedures as the two Boards did. We are not the first town to do this. If this does not work, you can revert back to two Boards.

Councilman Pollack stated that we have many more other opportunities for volunteers for residents of Woodcliff Lake.

Mayor Rendo stated that he has been and will continue to speak to all members individually.

Christina Hembree, Woodcliff Lake, asked Mr. Schettino how long he has been Borough Attorney. Mr. Schettino replied that he is finishing his third year. Ms. Hembree asked Mr. Schettino if he was the one responsible for preparing Ordinances. Mr. Schettino replied that Ordinances pertaining to the Planning Board are recommended by the Planning Board's Planner to the Mayor and Council. Administrator Padilla stated to Ms. Hembree that he knows where she is going with this, and that the planner normally prepares the Ordinances relating to land use matters.

MOTION to close to the public was made by Councilwoman Gadaleta. second by Councilman Pollack and unanimously approved.

Thank you to our Borough Clerk Debbie Dakin and to Megan Doherty for stepping it up and helping us out during the past 4 months. The Tree Lighting/Menorah Ceremony was a great turnout and a cost savings to the Borough. It was a festive evening for all. We are taking over the slopes for our Tubing Event with Hillsdale and

Montvale on January 18th. All donations will go to our Tri-Boro Ambulance and food pantry. We will have our first Chili Cook-off at the fire department and there will be football, beer and chili at the end of January. WHEREAS, N.J.S.A. 40:55D-25(c) authorizes municipalities having a population of 15,000 or less to establish by Ordinance, a single nine-member Planning Board to exercise all the powers of the Planning Board and Board of Adjustment; and

WHEREAS, the Mayor and Council find that the Borough of Woodcliff Lake has a population of less than 15,000 and that the adoption of an Ordinance establishing a joint Planning and Zoning Board is in the best interest of the Borough.

NOW, THEREFORE, BE IT ORDAINED, by the Mayor and Council of the Borough of Woodcliff Lake in the County of Bergen and State of New Jersey, as follows:

Establishment and composition.

A. There is hereby established in the Borough of Woodcliff Lake pursuant to N.J.S.A. 40:55D-25c, as amended, a Land Use Board of nine members which Board shall have the combined powers and duties of a municipal planning board and zoning board of adjustment, and consisting of four classes of members as delineated below:

- (1) Class I: the Mayor or the Mayor's designee in the absence of the Mayor.
- (2) Class II: one of the officials of the Borough of the municipality other than a member of the governing body, to be appointed by the Mayor, provided that if there be an Environmental Commission, the member of the Environmental Commission who is also a member of the Land Use Board as required by Section 1 of P.L. 1968, c. 245 (N.J.S.A. 40:56A-1), shall be deemed to be the Class II Land Use Board member if there be among the Class IV or alternate members of the Land Use Board both a member of the Board of Education.

(3) Class III: a member of the governing body to be appointed by it.

(4) Class IV: six other citizens of the Borough, to be appointed by the Mayor. The members of Class IV shall hold no other municipal office, position or employment, except that in the case of nine-member boards, one such member may be a member of the Historic Commission. No member of the Board of Education may be a Class IV member of the Land Use Board, except that in the case of a nine-member board, one Class IV member may be a member of the Board of Education.

B. In addition to the foregoing, alternate members may be appointed to the Land Use Board as Class IV members, and such alternate members shall not exceed four. Alternate members shall be appointed by the Mayor for Class IV members, and shall meet the qualifications of Class IV members of nine-member Land Use Boards. Alternate members shall be designated at the time of appointment by the Mayor as "Alternate No. 1," "Alternate No. 2," "Alternate No. 3" and "Alternate No. 4."

Terms of office.

A. The term of the member composing Class I shall correspond to the Mayor's official tenure, or, if the member is the Mayor's designee in the absence of the Mayor, the designee shall serve at the pleasure of the Mayor during the Mayor's official term.

B. The terms of the members composing Class II and Class III shall be for one year or terminate at the completion of their respective terms of office, whichever occurs first, except for a Class II member who is also a member of the Environmental Commission. The term of a Class II or Class IV member who is also a member of the Environmental Commission shall be for three years or terminate at the completion of his term of office as a member of the Environmental Commission, whichever occurs first.

C. The term of a Class IV member who is also a member of the Board of Education shall terminate whenever he is no longer a member of such other body or at the completion of his Class IV term, whichever occurs first. The terms all Class IV members first appointed shall be so determined that to the greatest practicable extent the expiration of such terms shall be distributed evenly over the first four years after their appointments; provided that the initial Class IV term of no member shall exceed four years. Thereafter, the Class IV term of each such member shall be four years.

D. Alternate members.

(1) The terms of the alternate members shall be for two years, except that the terms of the alternate members shall be such that the term of not more than two alternate members shall expire in any one year; provided, however, that in no instance shall the terms of the alternate members first appointed exceed two years.

(2) Alternate members may participate in discussions of the proceedings but may not vote except in the absence or disqualification of a regular member of any class. A vote shall not be delayed in order that a regular member may vote instead of an alternate member. In the event that a choice must be made as to which alternate member is to vote, Alternate No. 1 shall vote.

Vacancies and removal from office.

If a vacancy in any class shall occur otherwise than by expiration of the Land Use Board term, it shall be filled by appointment, as above provided, for the unexpired term. No member of the Land Use Board shall be permitted to act on any matter in which he or she has, either directly or indirectly, any personal or financial interest. Any member other than a Class I member, after a public hearing if he or she request one, may be removed by the governing body for cause.

Officers of Land Use Board; Site Plan and Subdivision Review Committee appointment and duties.

A. The Land Use Board shall elect a Chairman and Vice Chairman from the members of Class IV, and select a Secretary, who may or may not be a member of the Land Use Board or a municipal employee.

B. The Chairman of the Land Use Board may appoint a Site Plan and Subdivision Review Committee for the purpose of reviewing all applications for preliminary subdivision and site plan approvals and all applications for approval of use variances submitted in relation to applications for preliminary subdivision and site plan approval, making reports and recommendations to the Land Use Board, and performing such other duties as may be conferred upon it by the Board. The Committee's membership shall be composed of members of the Land Use Board, designated professional employees of the Borough, Land Use Board consultants, and/or representatives of such other agencies as shall be designated by the Board.

Experts and staff.

The Land Use Board may employ or contract for and fix compensation of a Land Use Board Attorney, other than the Borough Attorney, and experts, staff personnel and other services as it may deem necessary, not exceeding, exclusive of gifts or grants, the amount appropriated by the governing body for its use.

(a) Direction pursuant to N.J.S.A. 40:55D-34 for issuance of a permit for a building or structure in the bed of a mapped street or public drainageway, flood control basin or public area reserved pursuant to N.J.S.A. 40:55D-32.

(b) Direction pursuant to N.J.S.A. 40:55D-36 for issuance of permit for a building or structure not related to a street.

(2) Whenever relief is requested pursuant to this subsection, notice of a hearing on the application for development shall include reference to the request for a variance or direction for issuance of a permit, as the case may be.

D. To participate in the preparation and review of programs or plans required by state or federal law or regulation.

E. To assemble data on a continuing basis as part of a continuing planning process.

F. To annually prepare a program of municipal capital improvement projects projected over a term of six years, and amendments thereto, and recommend same to the governing body.

G. Pursuant to N.J.S.A. 40:55D-25(c), the Land Use Board shall exercise, to the same extent and subject to the same restriction, all powers of a Zoning Board of Adjustment, including but not limited to those powers and duties prescribed by law to a Board of Adjustment pursuant to N.J.S.A. 40:55D-70 and N.J.S.A. 40:55D-776. In exercising the powers of the Board of Adjustment, the Class I and Class III members of Land Use Board shall not participate in the consideration of applications for development which involve relief pursuant to Subsection d of Section 57 of P.L. 19775, c. 291 (N.J.S.A. 40:55D-70, as amended), including:

(2) Hear and decide requests for interpretation of the zoning map or ordinance or for decision upon other special questions upon which such board is authorized to pass by any Zoning or Official Map Ordinance, in accordance with N.J.S.A. 40:55D-1 et seq., as amended, or any other development regulation;

(3) Grant variance from regulations:

(a) Where by reason of exception narrowness, shallowness or shape of a specific piece of property, or by reason of exceptional topographic conditions or physical features uniquely affecting a specific piece of property, or by reason of an extraordinary and exceptional situation uniquely affecting a specific piece of property or the structures lawfully existing thereon, the strict application of any regulation would result in peculiar

and exceptional practical difficulties to, or exceptional and undue hardship upon the developer of such property, grant, upon application or an appeal relating to such property, a variance from such strict application of such regulation so as to relieve such difficulties and hardship;

(b) Where in an application or appeal relating to a specific piece of property the purposes of this chapter would be advanced by a deviation from the Zoning Ordinance requirements and the benefits of the deviation would substantially outweigh any detriment, grant a variance to allow departure from said regulations; provided, however, that no variance from those departures enumerated in Subsection D of this section shall be granted under this subsection; and

(4) In particular cases for special reasons, grant variance to allow departure from this chapter to permit:

(a) A use or principal structure in a district restricted against such use or principal structure;

(b) An expansion of a nonconforming use;

(c) Deviation from a specification or standard pursuant to N.J.S.A. 40:55D-67 pertaining solely to a conditional use;

(d) An increase in the permitted floor area ratio as defined in N.J.S.A. 40:55D-4;

(e) An increase in the permitted density as defined in this chapter, except as applied to the required lot area for a lot or lots for detached one- or two-dwelling-unit buildings, which lot or lots are either an isolated undersized lot or lots resulting from a minor subdivision; or

(f) A height of a principal structure which exceeds by 10 feet or 10% the maximum height permitted in the district for a principal structure.

(5) A variance under this subsection shall be granted only by affirmative vote of at least two-thirds of the full authorized membership of this board.

(6) In exercising the above mentioned powers the Land Use Board, as the Board of Adjustment, may, in conformity with the provisions of N.J.S.A. 40:55D-1 et seq., or amendments thereto or subsequent statutes applying, reverse or affirm, wholly or partly, or may modify the order, requirement, decision or determination appealed from and make sure other requirements, decisions or determination as ought to be made, and to that end have all the powers of the administrative officer from whom the appeal was taken.

H. To consider and make report to the governing body within 35 days after referral as to any proposed development regulation submitted to it pursuant to the provisions of N.J.S.A. 40:55D-26a, and also pass upon other matters specifically referred to the Land Use Board by the governing body pursuant to the provisions of N.J.S.A. 40:55D-26b.

I. To carry out the provisions set forth in this chapter for the preservation of historic resources.

J. To perform such other advisory duties as are assigned to it by ordinance or resolution of the governing body for the aid and assistance of the governing body or other agencies and officers of the municipality.

Rules and regulations.

The Board shall adopt such rules and regulations as may be necessary to carry into effect the provisions and purposes of this chapter. In the issuance of subpoenas, administration of oaths and taking of testimony, the provisions of the County and Municipal Investigation Law (N.J.S.A. 2A:67A-1 et seq.) shall apply.

Conflicts of interest.

No member of the Land Use Board shall act on any matter in which he or she has, either directly or indirectly, any personal or financial interest. Whenever any such member shall disqualify himself or herself from acting on a particular matter, he or she shall not continue to sit with the Board on the hearing of such matter nor participate in any discussion or decision relating thereto. This would include voting on a memorializing resolution relating to the such matter and the decision thereon.

Meetings.

A. Meetings of the Land Use Board shall be scheduled no less often than once a month and any meeting so scheduled shall be held as scheduled unless canceled for lack of applications for development to process or appeals to be heard and decided.

B. Special meetings may be provided for at the call of the Chairman or on the request of any two Board members, which shall be held on notice to the Board's members and the public in accordance with all applicable legal requirements.

C. No action shall be taken at any meeting without a quorum present.

D. All actions shall be taken by majority vote of the members present at the meeting except as otherwise required by any provisions of N.J.S.A. 40:55D-1 et seq. Failure of a motion to receive the number of votes required to approve an application for development or appeal pursuant to the exceptional vote requirements of N.J.S.A. 40:55D-34 and 40:55D-67d shall be deemed an action denying the application.

E. All regular meetings and all special meetings shall be open to the public. Notice of all such meetings shall be given in accordance with the requirements of the Open Public Meetings Act (N.J.S.A. 40:4-6 et seq.). An executive session for the purpose of discussion and studying matters to come before the Board shall not be deemed regular or special meetings in accordance with the provisions of N.J.S.A. 40:55D-9.
