NOTES:

- ¹ For R-8.15, R-1511, EAO II, AH-1 or AH-2 Districts, see applicable provisions in text.
- ² Setback line in the EAO Business and Special Office Districts shall be measured from the center line of the street.
- ³ Side yards shall not be required except to provide access to the rear yard at least 12 feet wide, either as a side yard or an easement from an adjoining lot having access to the street.
- ⁴ See special provisions in § 380-46C.
- ⁵ See special provisions in § 380-60D.
- ⁶ See special provisions in § 380-53D.
- ⁷ Lot coverage is the percentage of a lot which is covered by all building areas and is equal to building coverage.
- ⁸ Total surface coverage is the percentage coverage of a lot by buildings and paved areas.
