MESSAGE FROM MAYOR RENDO

Mayor Rendo stated the following:

Welcome to our reorganization meeting and the beginning of the 2020 Mayor/Council term. Personally, I extend gratitude to you all, all the residents of Woodcliff Lake who placed their trust in me to lead the municipality for the next four years. It's been an honor to serve as your Mayor and I will continue to work tirelessly to make Woodcliff Lake the best place to live and work.

First, to my wife and children for their love and support during the good times and the bad. From running for Statewide office to running for re-election, they have stood firm and comforted him during the stresses of the campaign. I thank you for your love and support and I cannot do this without you.

Second to our Republican County Committee and Club members. I thank you for selecting me to run as your candidate for Mayor. You are the heart and soul of the organization.

To my running mates, Councilman Steve Falanga and Jennifer Howard. I couldn't have asked for a more dedicated and hard-working running mates. During our door to door campaign in the heat of the summer to the cool nights of the fall, they never gave up. It was not easy placing your name in as a candidate. But they tackled this challenge with grace, dignity and a never-ending commitment to make our community better. Steve, I know that you will do great things on council. Jen, never give up. Stay involved, you know that you have my support, and the support of our community.

To my campaign team, thank you for keeping us on message and running a clean issue-oriented campaign. The campaign season can be fast moving and stressful, but you kept us focused and driven to win.

To my first running mate, Councilman Corrado Belgiovine, what can I say? I will never forget the day that you called me and asked me to run. I just wanted to be left alone but you were persistent. I value your friendship and loyalty, and I admire your service and commitment to the borough. I wish you the best on your future endeavors.

Finally, to the best Lt. Governor in the State of New Jersey. Kim Guadagno, out of 40 State Senators, 80 Assembly- people and 565 mayors, and countless business and industry executives, you came to Woodcliff Lake to find your running mate. I will forever be grateful to you for giving me the opportunity to serve you and this great State.

To our 2020 Council, I look forward to working together with you for the benefit of our residents. I want to especially recognize Councilwoman Jacquie Gadaleta. You are the longest serving councilperson for a reason. You approach your position with a passion and dedication that cannot be overestimated. Your hard work and dedication to your job on the council is not lost on the citizens of this borough. I also thank you for running a clean issue-oriented campaign. I am proud to call you my friend and colleague. Together I am looking forward to doing great things for our borough. I also welcome our new Council President, Brian Singleton. I look forward working with you.

As a borough, we will face major challenges in 2020. With the current administration in Trenton lack of interest in providing our residents real property tax relief, with the elimination of the two percent tax cap levy on school districts, with no increase in State municipal aid and with the continued push for unfunded mandates and social experiments like fair share housing, suburban districts will continue to feel the tax burden.

As a governing body, we will continue to meet those challenges by controlling our spending while increasing our revenue. To offset these challenges over the last few years we have brought in over 2.1 million dollars in grant money. We have reduced our tax appeals from over 80 a year to the single digits and we have refinanced our short-term debt taking advantage of low interest rates. It is our duty to run a tight ship and we will.

I ran a message of community. A vision that I called Rendovision. That vision was developed not by me, but by talking to you. Our residents. As public officials, we must not get static, complacent, and stay status quo. Our challenge is to think outside the box. Our vision is to bring our community together to create camaraderie and understanding. We do this by developing more community-based events. We brought you to Springfest and Oktoberfest, we will soon have a gathering place at Galaxy Gardens, and we await the opening of our walking trails around our Reservoir. These initiatives are only the tip of the iceberg. What do I foresee for 2020? It's endless.

My vision is to bring you an international food and wine festival, we will continue to support our cultural arts committee to highlight the arts, and we will look to have an international film and motion picture festival. Finally, I will also look forward to bringing you what you requested, a high end and acclaimed restaurant at our Barn overlooking our walking trails by the lake.

Working together to further understanding and community does not end with events and festivals. As public officials, we have a duty to take the lead to eradicate anti-Semitism, hate and discrimination. The events of the past years have strengthened and resolve to defeat hate. Through education and understanding we will win. Working together with our Pascack Mayors Association and our clergy we will take the lead to tackle these issues.

Let's strive to be the best. I am not satisfied with a number 7 ranking in the State. Together we can do better, lets be number 1. Let's Keep Woodcliff Lake Moving Forward!
