QUESTIONS? EMAIL [WE.THE.PPL.EEE@GMAIL.COM](mailto:WE.THE.PPL.EEE@GMAIL.COM)

We the People was started by Bergen County Freeholder Tracy Silna Zur in 2016 to create a space that encouraged unity, and to move beyond divisive rhetoric. Our purpose is to bring together students so that they meet new peers and learn from one another. We hope to encourage discussions, friendships and to promote the understanding that our similarities are greater than our differences.

Embrace. Empower. Engage
