### Before & After Care

8:00am – 8:30am / \$50 per week, per child 12:30pm – 1:30pm / \$100 per week, per child

\* Please note Camp registration is open throughout the six weeks

\*Non-Resident rates are available to the following towns: Saddle River, Upper Saddle River, Montvale, Hillsdale & Park Ridge sign up via: <https://register.communitypass.net/reg/>

Camp registration is also available to Non-Residents Employed within the Borough of Woodcliff Lake & those Non-Residents that are current members of the pool (sign up must be done at Borough Hall, proof of employment will be required)

Registration forms are available at: [www.wclnj.com](http://www.wclnj.com) located under parks and recreation, Camp Algonquin. Please download the registration packet, complete all forms and email to [parkandrec@wclnj.com](mailto:parkandrec@wclnj.com), drop off to Borough Hall or mail to: Borough of Woodcliff Lake, 188 Pascack Road, WCL, NJ 07677 – Attn: Parks & Recreation Dept. no later than the week before your camper (s) begins camp. Camper(s) will not be admitted unless all registration documents have been received. Questions? Please email: [parkandrec@wclnj.com](mailto:parkandrec@wclnj.com)

### What happens when it rains?

An email will be sent via community pass from the Camp Directors by 8am day of camp if:

- Camp will not be in session
- Camp will be delayed, or
- Camp will be closing early
- When rain occurs while an outdoor session is in progress, and it appears the rain will continue, all those children at camp will be escorted to classrooms located adjacent to Our Lady Mother of the Church. Parents are expected to have an emergency plan in place to pick up their children from both camps (half & full day) should the need arise.
- Counselors will be on hand to assist parents arriving to collect their children
- No refunds will be given for any missed days, inclement weather days, transportation delays or dismissals from camp.
- Cancellations within 2 weeks of your session start date will receive 100% refund/1 week before, 50% refund.

### CAMP BLY – Grades 1 – 7 & CAMP NARA – Ages 4 & 5

The BLY & NARA Camp staff greets campers each morning. Arrival and attendance is taken at the Old Mill Pool entrance at 8:30am; same applies for before care at 8am. Pick up will be at the entrance to the pool at 12:30pm (half-day); 1:30pm (after-care) and 4:00pm (full-day).

A staff member will remain until all children have been collected; we ask that you be prompt.

TGA Sports Foundation will provide extra activities during camp and will also host a 2 week Summer Sports Camp after Camp Algonquin has ended. Details to come soon.

Ultimate Frisbee • Golf

## MESSAGE FROM MAYOR CARLOS RENDO

With spring right around the corner, we are busy getting our ball fields prepped for opening day on April 29th, and the unveiling of exciting new offerings like the reservoir walkway and a community garden. Preserving Woodcliff Lake's character and charm while making necessary updates and improvements is always our top priority and we are diligently working with our professionals to achieve a viable solution for the fair share housing requirements, which is currently being debated at the NJ Supreme Court level.

Our town hall meeting addressing the Broadway corridor was well attended and produced positive discussions and ideas, which we will continue to address. We continue to explore the current school funding formula and to see how we can legislate a more equitable solution for our taxpayers than the existing model, which has our residents paying \$34,915 per student at Pascack Hills High School.

We are working with our representatives in the 39th District on moving new legislation forward, but we have experienced pushback at the state level. We will try to keep you updated as we strive for a fair and sustainable solution.

Finally, I am pleased to welcome our newest councilman, Paul Piantino, who replaces Jeanine Chiavelli for the remainder of the 2017 term.

## MESSAGE FROM COUNCIL PRESIDENT THOMAS PANSON

As part of our ongoing efforts to keep our residents informed and engaged, we are happy to reintroduce our council to the community meetings, starting on the 3rd Saturday of March from 9am-11am in the Bernard Kettler Room at Borough Hall. This is an opportunity to meet one on one with a councilmember, to ask questions and discuss concerns facing Woodcliff Lake.

The council is currently getting a jump-start on budgeting, with all the department heads having submitted their drafts on time for 2017. We expect to have our first reading in April.

We continue to refine and update our website and social media pages to provide our residents with up to date information and news you can use. Please visit the borough website for the scheduled council to the community meeting dates for 2017.

We recently announced that we are pursuing a new shared-services agreement with Old Tappan for use of the golf course in exchange for the use of the Old Mill Pool and Camp services. Both of our residents will benefit by receiving the resident rate for both facilities.

And last but not least, we the council, welcome Paul Piantino to his appointment, as Woodcliff Lakes newest councilmember. We look forward to working with you in 2017.

Grounds  
If there's rain, event will be  
held at Tice Senior Center  
Special appearance by the  
Easter Bunny!

## SHADE TREE REPORT

2016 was a busy year for the borough Shade Tree Committee. There were three new members added and a survey was conducted of all the trees within the right of way in the borough. There were 4096 trees recorded and this will be used to monitor the status for future planning and control of problems.

Overall, 4% are dead, and 10% are in poor condition. The committee is working in concert with DPW to have dead trees removed and replaced by new healthy specimens ongoing. Just those 2 categories represent nearly 600 trees to review in the future.

If you are looking to beautify your property, add value and help global warming, we suggest you contact borough hall and look into getting a FREE street tree planted on your property, in the 10 foot right of way by your curb. Someone will discuss planting the right tree in the right place to give the tree a good start. The tree is planted at no cost to the homeowner and the area is checked to see if it will interfere with utilities in the area for planting. Welcome spring with a long lasting addition to your home.

The group is looking into the presence of a problem insect in our Ash trees. Nationally, there is a small insect that came here via ship from China and has begun to devastate the entire Ash tree population of the US. It is the Emerald Ash Borer or EAB. Imported from China, by mistake, over the last 14 years, it spread from the Midwest to the East and has been found in a neighboring town. Once it takes hold in a community, given a time frame of less than 10 years, the insect will create damage that kills all Ash trees. There are estimated to be about 2 billion Ash trees in the country and all are in jeopardy. Pine beetles, Chestnut Tree blight and Dutch Elm disease have resulted in tens of millions of trees gone or being cut down.

We are investigating the presence of EAB in our borough and what the options are. The town will need cooperation from the homeowners to overcome this potential problem. The insects don't care where the Ash tree is located. If we cut down every town Ash tree, they would attack homeowner's trees. And just because your Ash tree looks fine does not stop the spread of this relentless pest. It will eventually attack and destroy your own tree. It digs holes inside the tree that create channels and results in the inability of the tree to take up water - this spells the death of a tree. There is a county meeting on this subject in March and we will update you on progress.

There is a correct way to care for a tree that is planted on your property and that means that there should never be a mound of mulch placed high against the trunk of the tree. This results in a "volcano" type appearance where the mulch spreads out into the lawn. This cuts off oxygen to the branches and gives animals a place to spend the winter months in the mounded mulch. Much better to spread a thin layer of no more than 2 inches high mulch around the perimeter of the tree.

## FROM THE POLICE DEPARTMENT

Several traffic related issues have been discussed regarding enforcement. This agency continues to be active on many traffic safety programs, including "Click-it-or-Ticket", "Drive Sober or get Pulled Over" and "Put the Brakes on Fatalities", for which we receive grant monies. Please obey traffic laws, especially in the SCHOOL ZONES at drop-off and pick-up times. "Obey the Sign, or Pay the Fine".

Many area towns have experienced an upswing in home burglaries. As a reminder put lights on timers, set your alarms, be vigilant, and help us protect our neighborhoods. Burglaries can occur day and night, and no one knows your neighborhood better than you, so please trust your instincts and call immediately when something seems out of the ordinary.

Sgt. Bridget Jennings will be retiring from this department after over 21 years in law enforcement. Sgt. Jennings was the first female officer when she joined the police department in 1995 and was also the first female sergeant when she was promoted in 2013. Unfortunately, her career was cut short due to an injury. Sgt. Jennings will be missed by the other members of the department and we all wish her well in the future.

Chief Anthony Jannicelli  
Woodcliff Lake Police Department

## CAMP ALGONQUIN OF WOODCLIFF LAKE

Summer Tennis Camps for children will be offered during the Summer Camp sessions. Three separate one (1) week programs: Classes are in the morning for 4 consecutive days with Friday as make up day in the event of a rainout earlier in the week. Cost is \$80 per session.

9:00 AM for 6 & 7 year old  
10:00 AM for 8 & 9 year old  
11:00 AM for 10 - 14 year old

The three summer camps  
start and end on:

June 26th to June 30th  
July 10th to July 14th  
July 24th to July 28th

Sign up via:

<https://register.communitypass.net/reg/>

## HEALTH CLINICS

The Board of Health provides blood pressure checks and general health information at no charge for residents of the Borough. The clinic is conducted by the Bergen County Department of Health Services and is held on the 3rd Thursday of every month except July and December, from 11:30 AM - 12:30 PM at the Tice Center on Chestnut Ridge Road. No appointments are required and adults of all ages may attend.

There is also a monthly Child Health Conference for Woodcliff Lake children from birth through age 6 where they may receive free, complete medical physical exams and all required immunizations. Children ages 7 through 18 years of age may receive immunizations only. Appointments are necessary. Sessions are held at the Borough of Hillsdale, 380 Hillsdale Avenue in the lower level. Further information and appointments can be made by calling (201) 666-4800 ext. 1528. Services are provided by a Pediatrician and a Public Health Nurse. There is no income requirement for this service.

## WCL Department of Public Works Spring 2017

To Report Potholes or have questions or concerns: Call the DPW at 201-391-3172 or E-Mail [rayblackton@wclnj.com](mailto:rayblackton@wclnj.com)

STAY GREEN & Celebrate Earth Day on Saturday, April 22: Join our community on April 22 from 9am-1pm as we clean up litter around our beautiful reservoir! Check-in will be at the reservoir by the Old Barn/Train Station. See the WCL website for details about this event. Rain date is Sun., April 23. Please do your part to help save WCL's piece of the planet. To join WCL's Green Team contact our Recycling Coordinator: [cbehrens@wclnj.com](mailto:cbehrens@wclnj.com).

### Ecology Facility

Ecology Facility Hrs.: Wed. 7:30am-3:30pm, Sat. & Sun. 9:00am-4:30pm

Only residents with a valid decal may use the Ecology facility. Ecology facility may be closed during inclement weather.

**Ecology center closed Easter Sunday, April 16th**

**IMPORTANT NOTICE: Compactor Replacement Project Coming Soon – We are targeting late March through mid-April for this project – Garbage trucks will be used at the Ecology facility for bulky trash being dropped off while compactor is being replaced – Check the website for updates on this project.**

### Paper Shredding Days at the Ecology Facility/Lydecker House

Sat. April 1st, 9:00am to 12:00pm & Sat. November 4th, 9:00am to 1:00pm. Limit of 6 bags or boxes per car per trip – residents only.

### BCUA Hazardous Waste Days (ID Required)

**Bergen Community College** - 400 Paramus Rd., Paramus, NJ 07652

Sun., April 30 - Sun., June 25 - Sun., Oct. 15 - 9:00am-3:00pm

(Items Accepted; Aerosol cans, Anti-Freeze, Fertilizer, Fluorescent Light Bulbs, Gasoline, Insecticides, Mercury Switches, Motor Oil, and Paints & Varnishes.)

### BCUA's Computer/Electronics Recycling, Tire Recycling and Paper Shredding Events.

**Bergen Community College** - 400 Paramus Road, Paramus, NJ 07652

Sun., April 9 – Sat., August 19 – 9:00am-2:00pm

For a complete listing go to [www.bcua.org](http://www.bcua.org)

**Alkaline batteries (AA, AAA, C, D, 9V) can be disposed in normal trash.**

No spring leaf pick up. Do not put leaves out. **They won't be picked up.** Leaves & grass are **Not** accepted at the Ecology facility. Use leaves & grass as a resource for compost. Use a mulching mower that recycles grass clippings into the lawn.

**Brush & branches** are accepted at the ecology facility during normal operating hours only. **Brush must be tied in bundles or in a container when put out for cleanup day; brush/branches cannot be put out more than 24 hours in advance.**

### Keep pollution out of storm drains:

Keep leaves and grass out of storm drains - Recycle used motor oil - Never discard pet waste in a storm drain.

### Sewer Dept.

The Sewer Dept. maintains 40 miles of sewer line within the Borough including 5 pump stations. **We Need Your Help!** Some of our pump stations are experiencing clogs due to cleaning wipes and baby wipes. **Do not flush wipes.** Please discard these items in the trash.

### Sanitation

Check the schedule or website; [wclnj.com](http://wclnj.com) on holiday weeks as your regular pick up day may be rescheduled - Keep containers in good condition with tight fitting lids - Put items at the curb by 7:00AM for your cleanup day - Please call 201-391-3172 if you experience a problem with your garbage.

### Recycling

- 2016's rebates are close to \$30,000 and exceed 2015's rebates by about \$2,000.

- Cardboard and Newspaper rebates increased gradually during 2016 and again in 2017.

**Let's STAY GREEN and be recycling machines!**

- Rinse out all bottles and cans before recycling.

- Make sure all cords are intact when recycling electronics and do not remove any electronics from the container.

- No scavenging of any kind at the center.

- Please recycle clean and dry plastic bags at area supermarkets.

**REDUCE + REUSE + RECYCLE**
