

Project Medicine Drop

Woodcliff Lake Police HQ is now equipped with a medicine drop box. The new permanent box is located in the Police Station lobby. Anyone wishing to drop off old prescriptions can do so.

Our station is open M-f from 8am – 4pm, excluding holidays. On nights, weekends and holidays, you can still make a drop off. Just pick up the call box phone next to our front door and ask the dispatcher to ask an officer on patrol to come to headquarters. Please click on this link to read about the program:
