***Early Registration  
Deadline  
January 31, 2020***

Please register at your earliest convenience in order for teams and

schedules to be finalized as soon as possible.

*Registration costs for Grades 3-8 will increase after that date*

---

## UNIFORMS

For Grades 3-8, each athlete's last name will be printed on the jersey.

This year, the Woodcliff Lake Softball Association will purchase jerseys for all athletes. Similar to other Woodcliff Lake sports programs, this jersey will be used each year and parents will be responsible for the cost of new jerseys as athletes progress through the softball program and grow to the next size. In choosing your child's jersey size, please keep this in mind and consider sizing UP if your child is between sizes or you are unsure of the size. If you choose the wrong size and your child requires a jersey in another size, due to the personalized nature, you will be charged for the replacement cost.

---

## TRAINING

*Work with the Experts and Learn from the best*

Each grade receives training from

*Just Hits Baseball & Softball Academy*

and Grade 3-8 will receive further instruction from

*Pascack Hills Softball Coaches*

\* all training paid by the Woodcliff Lake Softball Association

# SPONSORSHIPS

We rely on the generosity of borough residents and local business owners to help us provide a meaningful and positive experience for the kids each year. We are grateful for each prospective sponsor's passion and desire to work on behalf of the kids. In order to create programs that are sustainable, we must seek sponsors for these activities. Sponsors can choose from their company's name on the back of a jersey (Grade K-2) and/or a 3' x 5' banner displayed on RINZLER Field from March to November.
