

WLSA Woodcliff Lake Senior Association Newsletter

April, May and June 2020

"The object of this association shall be to provide information, good fellowship and an opportunity for civic involvement for men and women fifty-five years of age and older"

New Year's Eve Party with member Bea Wolf also celebrating her birthday that day

December 31, Tuesday at noon, we celebrated our annual New Year's Eve Party at the Senior Center. After dining and dancing, we had the countdown to the New Year at 2 p.m., and welcomed in 2020!

Thursday, January 16 was a fascinating presentation by Cary Lopez of Act Now Foundation on memory loss and dementia. Following the presentation we had our annual "White Elephant" Gift Exchange.

Thursday, February 6th, Kevin Woyce spoke to us about "Old Glory: History of the American Flag" – and to accompany his presentation Kevin brought his saxophone to play many patriotic songs.

Thursday, February 20th, we had a pizza luncheon, followed by cards and games.

Jimmy and Aggie Johnston doing the Irish Jig

Thursday, March 5th was our annual St. Patrick's Day luncheon catered by Davey's Locker. **Jimmy Walsh** supplied the entertainment with song, dance and his Irish humor. He even gave us Irish Jig lessons!

Facts About COVID-19

Know the facts about coronavirus disease 2019 (COVID-19) and help stop the spread of rumors.

1. Diseases can make anyone sick regardless of their race or ethnicity.

People of Asian descent, including Chinese Americans, are not more likely to get COVID-19 than any other American. Help stop fear by letting people know that being of Asian descent does not increase the chance of getting or spreading COVID-19.

2. The risk of getting COVID-19 in the U.S. is currently low.

Some people who have traveled to places where many people have gotten sick with COVID-19 may be monitored by health officials to protect their health and the health of other people in the community.

3. Someone who has completed quarantine or has been released from isolation does not pose a risk of infection to other people.

4. You can help stop COVID-19 by knowing the signs and symptoms:

- Fever
- Cough
- Shortness of breath

Seek medical advice if you have traveled to China in the past 14 days and feel sick. Call ahead before you go to a doctor's office or emergency room. Tell them about your recent travel and your symptoms.

5. There are simple things you can do to help keep yourself and others healthy.

- Wash your hands often with soap and water for at least 20 seconds, especially after going to the bathroom; before eating; and after blowing your nose, coughing, or sneezing.
- Avoid touching your eyes, nose, and mouth with unwashed hands.
- Stay home when you are sick.
- Cover your cough or sneeze with a tissue, then throw the tissue in the trash.
